Sit-ting a-lone dream-ing my own long-ing for you in my,
Soft a birds trill floats o'er the hill seems to tell me you're
sight Gent-ly the soft sum-mer breeze
near And when I lin-ger with you
Whis-pers of you 'mid the trees I long for you, Dear!
Tell-ing you oft as I do 0f your blue eyes, Dear!
Your eyes of blue, Dear! smil-ing se-rene and bright Ah!
Then my heart sighs, Dear! la-den with love so true Ah!
